FALL GOODS! CITY & NEWS ITEMS

SATURDAY MORNING, OCT. 9, 1858. PLAIN AND OBNAMENTAL PRINTING out the Printing Establishment of the Leader Office does at the Frinting Asiahima ment of the Leader Office, on the intext improved and most rapid atoms present in the best style, on short notice, and at reasonable rates. Particular attention point to blank work. Every description of Bending dome, especially Blank Books, Ledgers, Journals Sales Rocks, Benderly Blank Books, & Br.

EF For late City News, see third page.
For Market Reports and Marine News, see fourth nace.

perance, will be delivered by Rev. J. B. Bittenterian Church.

MORE OF THE LAND SLIDE.-We learn that the Cleveland and Mahoning ear shop and track, have been moved about six feet by the yielding of the bank spoken of several days ago Whether the quicksand will soon ran out, and give no more cause of alarm or trouble, or whether it will be a lasting source of anneyance cannot be told; but we hope the springs will " dry up" and the track cease "moving

CLEVELAND MEDICAL COLLEGE.—The lectures before the students in this institution, will commence on Wednesday, the 3d of November. Six lectures will be given daily, and the course continue sixteen weeks. The announcement of lectures from such able practitioners as Profs. Delamater, Kirtland, Cassels, Thayer, Weber Cushing and Knowlton, is enough to warrant the ascertion that Cleveland can furnish as good advantages for the candidate for Esculapean nonors as any institution in the land, and we hope to chroniele a larger number in attendance at the coming term than ever before.

& McBride and Messrs. Hanna, Garrettson & Co., to be shipped by them to Lake Superior.— beloved Pastor, Rev. Mr. Kellogg. He reached about eight hundred barrels have been packed up and pulled off a limb that hund over his for this purpose which is all designed for the upper lakes. The killing and packing will now be stopped for a few days, to be resumed about the 20th, when the season's work will commence. Shell & Scoville have purchased the schooner Correspondent's cargo of salt, consisting of about four hundred and seventy-five tons Qualities." It was, as a whole, one of the of Liverpool Salt which will be used in their establishment this winter. We shall speak of their opening for the season in due time

ture preserved in ice. The very "shrewd and in before Indian Summer, which proved itself to be, this time, what our German friends style it, "Old Wives Summer." The beams of the sun soon melted the ice, and slightly warmed the air, but the searching wind continued all
